

Second Hand Suppliers

As a charity, the Universal Music UK Sound Foundation aims to improve the opportunities available in music education to young people. Therefore we are aware that when a student outgrows or no longer needs an instrument, they may wish to sell it in order to help fund a replacement.

Below, for your information, is a list of suppliers that offer second-hand instruments.

Alternatively, applicants who have benefitted from the Foundation may prefer to donate their instrument/proceeds of the instrument back to UМУKSF, which would be much appreciated. For more information please contact the Foundation at umuksoundfoundation@umusic.com
